Dear Parents/Caregivers

This email is to inform you of changes to our learning program.

- In week 11 staff will use the pupil free days to set up learning at home online curriculum in readiness for Term 2, to ensure continuity of learning. No students will be able to be on site during this time as we will not have supervision available.
- It is on the advice of the Minister for Education that we prepare for online learning from the start of Term 2.
- The partnership of Murraylands schools has made the decision to defer the Student Free Day that has previously been advertised for the first day of Term 2, April 27.

In Term 2 your child will either be engaged in **learning at home** or **learning at school**, both using online curriculum delivery. We will need to know which in order to ensure duty of care. Please respond as soon as possible using the following link.

Please be assured that continuity of learning of all children, whether they be at school or home, and the wellbeing of our children and staff will be our highest priority.

If your circumstances or emergency contact details change please contact us as soon as possible via phone or email.

Regards,

Ruth Mussger
